## SUMMARY OF ITINERARY

### Day 1, Tues, Sept 5, 2023: Arrive in Bali and relax in Candi Dasa

Upon arrival, we travel to Candi Dasa, a secluded and peaceful seaside area in Eastern Bali. Our home in Candi Dasa is a gorgeous beachfront hotel, the [Ramayana Candidasa Ocean View](#). All rooms are decorated with Balinese harmony in mind. This will be home base for our Bali retreat for the first five days. Feel free to rest from your travels and take a dip in the beautiful pool overlooking the ocean. The evening is for dining on your own at the hotel's peaceful oceanfront dining room.

### Day 2, Wed, Sept 6, 2023: Opening Circle / Massage / Slow Bali Pace

After a delicious breakfast buffet, we'll have our opening circle to get to know one another and set your intentions for time in Bali. You'll receive a complimentary welcome massage at some point today. Begin to appreciate the simple Balinese way of life where every moment is a gift of harmony and balance. We intentionally slow down to a quieter pace and spend a day of peace and rejuvenation. The day ends with a blessing at the hotel temple and a Welcome Dinner at our oceanfront restaurant.

Every morning before starting our spiritual practice we practice a smudging ceremony with incense, blessing ourselves with water and receiving a flower. The Hindu Trinity: Brahma the Creator, represented by fire; Vishnu the Preserver, represented by water; and Shiva (Siwa) the renewer, represented by flower are all honored and invited into our practice and our day. On Bali, there are two ways to pray: 'mbakti' and 'muspa'. The first is worship through devotion, the second shows respect with flowers. Sarong and Sashes will be handed out following the morning chanting and meditation.

The day ends with a blessing at the hotel temple and a Welcome Dinner at our oceanfront restaurant.

*Meals Included: Breakfast and Dinner*
